The poster features a central illustration of the Befana, a traditional Italian figure, depicted as an elderly woman with a blue hat and glasses, flying on a broomstick. She is holding a basket of sweets. The background is a dark blue night sky with yellow stars and a crescent moon. Below the sky, there are stylized yellow buildings representing a city skyline. The text is arranged in a clear, bold, sans-serif font, with the event title at the top and the location and time details in the middle and bottom.
